Enclosure: A. Cost Breakdown for Revised Field Support Effort  
"A" Follow-on System

Dear Art:

Enclosure A is transmitted herewith in compliance with agreements reached at the negotiation meeting on 8/26/63. This cost breakdown reflects the reduced number of manhours discussed and agreed to by cognizant technical personnel of both FSDS and the Government.

The fixed rates established for the labor categories as shown on the cost breakdown are computed on the basis of a direct labor base burdened with an offset overhead rate of [REDACTED]

As previously discussed, it is proposed that this effort be established as a separate labor-hour contract.

I trust the information enclosed is sufficient for your evaluation, but should you have any additional questions, please do not hesitate to contact the writer.

Very truly yours,
